Document.pdf

Peter,

At long last, here is the updated STC for the 204/205/210/212/412 bearpaws.
Please review the STC for errors.

I didn't see any myself, but I don't have the documents to cross reference revisions and dates.

Kim

If its good, generate an application to revise the corresponding FAA STC.

Thanks,

David

Hi David

Please find attached a copy of the above STC for Bearpaw Installation.

The original is in the mail today.

Thanks

Lori Pressick
